Hazard Identification

Hazard classification

This product is **not classified as hazardous** according to the criteria of the Globally Harmonised System of Classification and Labelling of Chemicals (GHS).

Other Hazards which do not result in classification

This product has been issued the AP (Approved Product) seal of conformity by ACMI. The AP Seal identifies art materials that are safe and that are certified in a toxicological evaluation by a medical expert to contain no materials in sufficient quantities to be toxic or injurious to humans, including children, or to cause acute or chronic health problems.

This product is intended for more experienced art and creative product users.
